The Pappas Rehabilitation Hospital for Children (PRHC) is a Joint Commission (TJC) accredited; pediatric chronic care hospital serving children and young adults (ages 7 – 22+) operated by the Massachusetts Department of Public Health (DPH). Located on 160 acres in Canton Massachusetts, this hospital provides medical, rehabilitative, educational, recreational, habitative, transitional, and complementary alternative medical services to children and young adults with multiple disabilities, assisting them to achieve their optimal level of independence in all aspects of life.

**DPH is an Equal Opportunity / Affirmative Action Employer. Females, minorities, veterans and persons with disabilities are highly encouraged to attend.**

**All candidates recommended for hire will be subject to a criminal background check (CORI).**
